Stackable Points

Points are stackable! If
you can get a point by
using a star, and you can
get a point by using green,
you can get two points by
using a green star.

You do not get 4 points for
using 2 green stars. Each
bonus point rule only
applies once to each
layout/project.

Watch out for **NO
DOUBLE DIPPING
DAYS!**

On these days you can not
stack your points, each
item counts separately.
